

**BISHOPVILLE POLICE DEPARTMENT**  
**Authorization to Conduct Background Check**

I authorize The Bishopville Police Department to conduct a background check for any criminal records that may pertain to me. For employment purposes, the department may also conduct a credit check, driver's license check, reference check and previous employment check during my background investigation. I am also aware that the information listed below has nothing to do with hiring practices but is necessary to conduct a background check through the NCIC/FBI computer and the Drivers History section of my application for employment as a Police Officer. I further certify that I will not hold the Bishopville Police Department, the City of Bishopville or their employee liable in any way in connection with this investigation.
